

Eton End Pancake Races

We held our Eton End Pancake Races on Tuesday 6th February—a week early as we will be on half term for Shrove Tuesday!

The weather was cold but clear and the courts were the perfect setting for the races.

The pupils and staff were excited to get the races underway.

The Year 6 House Captains were responsible for getting their teams organised and ready for the races.

Each year group had a chance to win points for their house. The Games Captain kept the score and after some extremely exciting races and some close finishes, Ash emerged the victorious team this year!
