

Year 3

Mexican Foods

Making Guacamole

Year 3 have thoroughly enjoyed learning all about the Mexican culture. The pupils had the opportunity to become *messy Mexicans* and make their own guacamole by following a recipe and using fresh ingredients. They also learnt different techniques for chopping these ingredients safely.

The children were able to take their guacamole home for their family to try bravely!

Learning Outcomes included:

- To explain what continent Mexico is part of and to find it on a world map
- To recognise a variety of Mexican foods
- To learn techniques to safely chop food
- To recall the names of ingredients they may never have seen or tried before
